

## Holiday Bear Project

### **ADOPT A BEAR, OR MAKE A DONATION TODAY!**

Now, more than ever, the Las Vegas community is in need of help over the holiday season. No child should go without the wonder and magic of receiving gifts on Christmas morning. That has been the driving belief behind the Junior League of Las Vegas' (JLLV) longest running project. This project was created in 1987, giving Junior League members the chance to play Santa for hundreds of underprivileged children during the holidays.

The Junior League selects three at-risk schools to partner with through the Clark County School District. Each child becomes a "bear" and is "adopted" by our members, friends, family and community partners for the holiday. Each child receives 10 wrapped gifts which include a new pair of pants, a shirt, a jacket or sweatshirt, a pair of shoes, 6 pairs of underwear and socks, pajamas, two toys and a book.

Due to overwhelming need, we are reaching out to find community partners to join us in this program. We ask that you please consider adopting a bear, or making a donation.
